WORKSHOP

Preparing for a Fun and Safe Summer

For parents and caregivers of school aged children.

ABOUT THE WORKSHOP

This workshop will help you plan for the upcoming summer months with your child. Learn how to make the most of summer by supporting leisure activities, home routines, and community access and safety. Attending and participating in this workshop will give you the skills to help your child grow in their interests and independence. You will also learn ways to support safe community participation, whether through accessing structured activities or going to the pool as a family.
